**Parkland Medspa  
& Wellness Center**

Experience advanced rejuvenation with 150 units of neurotoxin plus one Salmon DNA microneedling treatment for \$1,199. Neurotoxin smooths dynamic wrinkles and softens expression lines, while Salmon DNA microneedling deeply hydrates, repairs, and boosts collagen for improved texture, tone, and elasticity. This powerful combination delivers both immediate wrinkle reduction and long-term skin revitalization for a firmer, smoother, more radiant appearance.
