## **Purchase 1 syringe of Dermal Filler and get free Lip Flip**

When you purchase one syringe of dermal filler, you'll also receive a complimentary lip flip treatment—absolutely free! This special pairing allows you to enhance volume and definition with dermal filler while also creating a naturally fuller-looking upper lip with the lip flip. It's the perfect opportunity to refresh your look, combine two of the most popular treatments, and enjoy noticeable yet natural results—all in a single appointment.
